Good day to you Messengers and Friends,

It's February already and we are ready to go. This month is jam packed with opportunities to serve our Risen Savior Jesus Christ. We have bike blessings, Parades, and CMA Seasons of Refreshing in Livingston. There is something every weekend through March 16th. I know it's impossible to attend everything, but the chances are high there is something you can do with CMA. In this newsletter you will find flyers and further information about these events. Come on out and serve with us. If you are new to CMA or are interested in knowing exactly what CMA is about, come on out and fellowship with us. You probably were going to ride somewhere, why not with us?

You may wonder why there are so many activities? Family, our time here is short. Two things can happen any day. Jesus may call you home or HE may come get us all at once. Our job here in the short years we have is to worship our Father and bring as many to Him as we can. You are God's Plan A. There is no Plan B.

Paul tells us in Romans 10:14-15

*How then are they to call on Him in whom they have not believed? How are they to believe in Him whom they have not heard? And how are they to hear without a preacher? But how are they to preach unless they are sent? Just as it is written: "How beautiful are the feet of those who bring good news of good things!"*

Don't get caught up in the word "preacher" because that is you Christian. If we Christians don't share the gospel, who will? I bet you learned about Jesus from somebody in your life.

As CMA we can say "how beautiful are the wheels of those who bring Good News of Good Things"

Be blessed and see you soon,

Don Eustes

President

## MESSENGERS CHAPTER #362

### VP CORNER

This is a good one to remember, and sometimes hard to do. Taken from Robert Jeffers at Pathway to Victory.

#### **God Communicates His Peace**

*Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus. –Philippians 4:6–7*

God communicates His direction for our lives through prayer, and He also communicates His peace to us through prayer. We see an example of this in the life of the apostle Paul. If anybody had reason not to be at peace, it was Paul when he wrote his letter to the Philippian Christians. At that time, the church in Philippi was being attacked by false teachers from without and torn apart by division from within. Not only that, but Paul was under house arrest in Rome. He was awaiting the verdict in his two-year trial—was he going to live or die? He didn't know from one moment to the next what his future would hold.

Paul had any number of things he could've chosen to worry about. But look at what he wrote in Philippians 4:6: "Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God." I like this paraphrase of the verse: "Don't worry about anything; instead, pray about everything" (TLB).

Let me give you a suggestion I once heard from my friend David Jeremiah. Take a sheet of paper and write at the top "My Worry List." Then write down everything you're worried about. Then take another sheet of paper and title it "My Prayer List." Now, one by one, scratch out the items on your worry list and place them on your prayer list. And when you spend time with God, pray over those things.

What happens when you turn your worries into prayer requests? Look at verse 7: "The peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus." Paul was saying, "If you pray about everything instead of worrying about everything, then in some inexplicable way, the peace of God will flood your heart."

David Jeremiah said in his years as a pastor, he has discovered that people whose worry list is full and running over usually have an empty prayer list. And the opposite is true as well: those who have a full prayer list usually have an empty worry list. God communicates His peace to us when we pray.

## MESSENGEERS CHAPTER #362

### Greetings CMA family,

Sometimes as Christians we forget that we're fighting a spiritual battle. A lot of the things that we're facing in life have a spiritual element to them.

Ephesians 6:12 reminds us, *"For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places"* (NLT).

And when David went out to face the giant Goliath in battle, he said, "Everyone assembled here will know that the Lord rescues his people, but not with sword and spear. This is the Lord's battle, and he will give you to us!"  
1 Samuel 17:47 NLT.

In a spiritual battle, we must use spiritual weapons. The Bible tells us, "We are human, but we don't wage war as humans do. We use God's mighty weapons, not worldly weapons, to knock down the strongholds of human reasoning and to destroy false arguments" (2 Corinthians 10:3-4 NLT).

What are spiritual weapons? Prayer is one of them. Have you ever noticed how big your problems can seem when you haven't prayed? Worry overtakes you. It's like a force all on its own. You can worry yourself into a frenzy.

Here's what the Bible says about worry: "Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus" (Philippians 4:6-7 NLT).

When was the last time that you prayed about the problem you're facing? Prayer puts things into perspective.

The next time you're tempted to worry, pray instead. Pray about that problem. Pray about that issue. And ask other people to pray with you.

If you tolerate a Goliath in your life, he will take over your territory. For instance, maybe you think you're going to go ahead and play around with a so-called little sin. You tell yourself that you know when to stop, that you won't go too far. Then one day you have a bona fide giant in your life, and you want it to go away.

You don't reason with a giant or yell at a giant. You kill him. That is what David did. The Bible tells us that "as Goliath moved closer to attack, David quickly ran out to meet him" (1 Samuel 17:48 NLT). That's the only way to take on a giant.

And remember, the battle is the Lord's. Sometimes God will allow us to hit rock bottom, where we don't have any human solutions. If you're in this situation, you may think, "This is too difficult. I have tried everything. The only thing I can do now is trust God."

That's good. Then God will show you what He's capable of. When you see God for who He is, you will see your giants for what they are. He is bigger than anyone or anything else.

Catherine Johnson

### History of CMA

The original brainstorm for such an organization occurred in 1972 when Herb Shreve and his teenage son purchased their first motorcycles. It was not until 1974 when the need for a new organization began to be realized. Herb attended his first motorcycle rally and saw a massive crowd of motorcyclists who did not know Jesus Christ as their personal Savior. In fact, many had never heard the Gospel message.

The realization of such a great need prompted Herb to share his vision with a couple of Christian friends. Together, they began to pray. Herb became more and more convinced that God wanted a Christian organization dedicated to reaching motorcyclists with the Gospel of Jesus Christ. In the spring of 1975, he put action to his prayers. An attorney was contacted, and a non-profit charter was applied for and approved. The waiting was over. The Christian Motorcyclists Association (CMA) was born

started as an effort to provide just one motorcycle to a pastor in Guatemala. Today, CMA has been able to extend the open arms of Christ to millions of people around the world, through the fruits of Run for the Son.

By partnering with ministries with world-reaching potential, we have been able to place the message of hope and salvation in front of millions of people in 194 countries around the world. Since its beginning,

Run for the Son has invested \$88 million to help spread the Good News of salvation through Christ; resulting in 32.2 million salvations. Some pray, some go, and some send; will you help?

“Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age. Amen”

## Four Elements of a Successful Chapter

### Prayer:

Prayer is a part of the chapter.

Chapter has an environment that encourages and accepts prayer.

Chapter has a monthly Bible study/prayer time.

Chapter accepts and recognizes the fact that there may be some who are only interested in the being a part of the chapter's prayer group.

### Fellowship:

Fellowship is a goal of the chapter.

Chapter has an environment that encourages and accepts fellowship.

Chapter has a monthly fellowship time.

Chapter accepts and recognizes the fact that there may be some who are only interested in the fellowship (fun) aspect of CMA and the chapter.

### Evangelism:

Evangelism is a part of the chapter.

Chapter develops and encourages opportunities for outreach.

Chapter is involved in evangelism (outreach).

Chapter does not have a negative attitude towards those who are not directly involved in the chapter's evangelism effort.

### Discipleship:

Chapter understands that if we offer Jesus to people we must be prepared to accept and help disciple those who receive Him as their Savior.

Chapter is familiar with the discipleship tools CMA has available.  
<http://www.cmausa.org/spiritual-resources/>

Chapter accepts and supports the efforts of those who have a primary interest in discipleship.

Chapter understands that we are inter-denominational.

## Treasurer's Report January 23, 2024

<b>Opening Balance</b>	<b>\$827.53</b>
Chili Cook Off Deposit	476.50

<b>Closing Balance</b>	<b><u>\$669.08</u></b>

January has quickly passed, and we are looking ahead to February with anticipation of what God will do in hearts and lives in 2024 through prayer and outreach. As we lean forward in the saddle, we depend on God to guide, direct, and equip us “for every good work”. Here are some verses to encourage us.

Hebrews 12:2 Looking to Jesus the author and finisher of our faith; who for the joy that was set before Him endured the cross, despising the shame, and is set down at the right hand of the throne of God.

Ephesians 6:13 Therefore, put on the whole armor of God, that you may be able to withstand in the evil day, as you see it approaching, and having done all, to stand.

James 1:2-4 My brothers, count it all joy when you encounter various trials; knowing that the trying of your faith develops patience, But let patience do its perfect work, that you may be perfect and complete, wanting nothing.

2 Corinthians 4:16, 18 So we're not giving up. How could we! Even though on the outside it often looks like things are falling apart on us, on the inside , where God is making new life, not a day goes by without His unfailing grace.

There's more here than meets the eye. The things we see now are there today, gone tomorrow, but the things we can't see now will last forever.

Looking up to Jesus,

JOY Booher

# MESSENGRS CHAPTER #362

From our Chaplain.

As we turn on our TV and see news and hearsay that many believers in Jesus Christ and the Word of God begin to recognize as a direction that probably isn't somewhere that many of us look forward to, although we do pray thy kingdom come thy will be done on earth as it is in Heaven.

As we recognize that the world is marching headlong into a Global government , We should make some determinations ahead of all that is set before us that whatever occurs in this world we keep our eyes and Faith in the one who is the author and finisher of our Faith. We have plenty of examples in scripture like Daniel, Shadrack Meshack and Abednego and others that are there to inspire us. One of my favorite devotions is A.W. Tozer and today's devotion struck a cord with me, so I wanted to share it.

A.W.Tozer.

"Though we do not have much of it in this age of spineless religion, there is nevertheless much in the Bible about the place of moral determination in the service of the Lord. The Old Testament tells us that "Jacob vowed a vow," and Daniel "purposed in his heart." Paul determined "not to know anything among you, save Jesus Christ, and Him crucified." Above all, we have the example of the Lord Jesus "setting His face like a flint" and walking straight toward the Cross. These and many others have left us a record of spiritual greatness born out of a will firmly set to do the will of God! They did not try to float to heaven on a perfumed cloud, but cheerfully accepted the fact that "with purpose of heart they must cleave to the Lord." We must surrender-and in that terrible, wonderful moment we may feel that our will has been forever broken, but such is not the case. In His conquest of the soul, God purges the will and brings it into union with His own, but He never breaks it!"

God Bless! our Messengers and Remember to keep everyone in prayer

Chaplain

## Bible study and Potluck Dinner

**We will meet the first Tuesday of the month.** Come and share. You can nourish your mind body and soul.

*But as for you, continue in what you have learned and have firmly believed, knowing from whom you learned it and how from childhood you have been acquainted with the sacred writings, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be competent, equipped for every good work. 2 Timothy 3:14-17*

*Your word is a lamp to my feet and a light to my path. Psalm 119:105*

# MESSENGRERS CHAPTER #362

From our Road Captain

## Are America's Roads Inherently More Dangerous For Motorcyclists?

There's nothing quite like hitting the open road on a motorcycle. The air is energizing and feels new. Getting some fresh air and moving around can enhance your mood. Everything appears closer, including the sounds and the views, and riders feel more connected to the natural world. That is a major perk for riding motorcycles in the United States.

Despite being swift and flexible, motorbikes are also the most vulnerable to traffic accidents and other road hazards and fatalities. According to statistics from the NHTSA, there were about 82,528 motorcyclists injured and 5,579 fatalities in the United States in 2020. Due to the limited or lack of protection between vehicles and motorcycles, motorcyclists often suffer the most injuries when a collision occurs.

However, drivers are not the only ones that pose a threat to motorcyclists. Inadequate road maintenance and defects in road design cause many problems. It is not uncommon for motorcycle attorneys to use the legal system to tackle unsafe road conditions caused by negligence. Motorcyclists are particularly vulnerable to risks such as motorcycle accidents, severe injuries, and even death from open grate bridges, improperly paved roads, crosswinds, debris, and potholes.

## Why Are Motorcycle Accidents More Dangerous Than Car Accidents?

Essentially, motorcycles compromise safety for maneuverability. A significantly higher percentage of fatal injuries occur when there is no barrier between the driver and other cars or the road itself. The reality is that the presence of such protective features as airbags and crumple zones in cars is what ultimately saves the lives of their occupants. Motorcyclists are more likely to die per mile driven than car drivers, and five times more likely to be wounded. The absence of comprehensive safety equipment is just one of many reasons that play a role in motorcyclists being injured on the roadways.

## Are Highways Still Safer?

Generally speaking, highway speeds are more stable, making riding a safer option. There is usually a steady flow of traffic; there are not any stop signs or red lights. Most highway lanes are broader, allowing the rider more alternatives for where to travel in the lane, and there are no intersections for motorcycles.

Finally, unlike on back roads, you're usually not directly in the path of oncoming vehicles in the opposite lane. When you consider that, it becomes clear why city streets and back roads are more dangerous. Here in Texas, county and rural roads are considerably riskier to travel on than interstates. Some of the most enjoyable locations on a bike are the back roads though, however, it's a nice thought to keep in mind when you're out there.

James "Russell" Rhodes
