Please sign-up for the shifts you will be available to serve. We need this information to plan for covering our multiple areas of responsibility. Please realize we must give priority to staffing the entrances for paid parking. Other areas (listed below) are manned only when we have enough CMA servants to cover these additional ministry areas. All shifts are 3.5 hours.

- **We are always short handed the 6:30p to 10:00p shift on Friday or Saturday.** It is very much appreciated if you could work these shifts.
- If you have any **physical limitations** we should consider as we designate assignments, please indicate them in the “Physical Limitations” query in the volunteer form.
- After getting your assignment **before every shift / every day**, please go directly to your location to receive instructions regarding your duties. We will assign you to the area of greatest need. Thank you for your willingness to serve in different areas!

VOLUNTEER SIGN-UP

Description:

Join CMA Southeast Texas as we serve at the **Lone Star Rally in Galveston, Texas, November 4-7, 2021.**

Our primary responsibility to the rally organizers is to sell parking stickers. Because we help the rally with the sale of parking stickers, we earn the right to minister in other, more eternal ways:

- ♦ **Hospitality Tents** - offering smiles, water, coffee, tracts, and prayers
- ♦ **Bike Blessing Tents** - providing prayers, rag tracts, and blessing stickers
- ♦ **CMA Benches on the Strand** – encouraging rest and fellowship
- ♦ **Sidewalk Ministry** – walking the rally watching for opportunities to help, pray, or make a new friend (that is, being alert for divine appointments)
- ♦ **Mechanic Ministry** – helping the mechanically challenged to keep rolling
- ♦ **Hospital Ministry at UTMB** – supporting the injured, their friends, and families with prayer and practical assistance
- ♦ **Church Services on Sunday** – offering an invitation to accept Jesus!
