

NEW TESTAMENT RIDERS

CHAPTER 353

President's Message

The plans we have for ourselves often change. I had planned on going the last meeting then go for a ride to lunch since I've missed last months meeting. God had a different idea. I always pray in the morning GOD help me to help others. I never expected Kathy to find two kittens a couple days old in the parking lot at breakfast.

You see GOD changed my day with two kittens and a women who has a soft heart for cats, and answered my prayer to help me to help others even if the others are cats. Those kittens may have died that day if we wasn't there. But today they are alive and doing well. I really don't like cats, I'm more of a dog lover but I didn't want to see them hurt either.

So when you ask GOD for something just remember it may be a little inconvenient but you may just save a life or two. So go on ask GOD and see what he puts in your path.

Remember to keep your eyes open and be on the lookout for GOD to do great things in your life. GOD BLESS.

Your Prez, U-Turn Jack

VP's Thoughts for the Day

Am I on time?

Well, I missed last month's newsletter. We came back from the CMA SETX Rally to the aftermath of a storm. Some had it better and some had it worse. We just lost power for 4 days. No damage to the house, just some broken limbs on the trees in the pasture. The building I work in lost over 600 windows and we were out of the building for about a month.

I did want to talk about our time at the State Rally. Besides the riding, hanging out with my Chapter Brothers and Sisters, and seeing great friends that I don't get enough of, my favorite part has been the morning service at the Prayer Garden. We sing and have a word, then Eric Story asks, what can we pray for you about? I think we prayed for about 15 CMA Members and family. There was another group of Christian Bikers there that was getting their Chapter Charter at the Prayer Garden right after we were finished. They asked for prayer for one of their members that was in an accident. Just by being there, and doing what we do, we are a witness to the world!

Matthew 5:15 *Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. By wearing our colors, t-shirts, logos on our bikes and cars, and showing our love for one another, we are a testimony to all we meet.*

Marilyn's Minutes

We have had some great Church visits over the last couple of months. We have met some wonderful Christian folks, and again, were able to assist Magnolia Bible Church in another sticker party where we put various stickers on Bibles going to the mission field.

We call our chapter New Testament Riders and I believe we represent our name well. We have visited different Churches of different denominations and show we are unified together with our brothers and sisters in Christ. Ephesians 4:1-7 says, "I urge you to walk in a manner worthy of the calling to which you have been called, with all humility and gentleness with patience, bearing with one another in love, eager to maintain the unity of the Spirit to the bond of peace." ESV. Notice that we are to be eager to "maintain" the unity, in the bond of peace, bearing with one another in love.

Jesus Christ brings us together in unity through His death, burial and resurrection. He brings the unity, it is up to us to maintain it. It is not always easy maintaining that unity, many different situations, personalities, and even demonic spirits can get in the way of that unity. The Scriptures assure us that maintaining unity is possible through love. The type of love the Apostle Paul is talking about is not an emotional kind of love, it is a sacrificial love, the love of God. 1 John 4:9-11 says, "In this the love of God was made manifest among us that God sent his only Son into the world, so that we might live through Him. In this is love, not that we have loved God but that He loved us and sent his Son to be the propitiation for our sins. Beloved if God so loved us, we also ought to love one another." ESV.

Unity within the Body of Christ must be maintained by this kind of love, God's love that we receive through the power of the Holy Spirit. If we can understand how much God loves us and the sacrifice He made for us, then we can be able to understand the importance of loving one another. 1 Cor. 13:4-7 says, "Love is patient, love is kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things. endures all things." ESV.

In Galatians chapter 5 we are told to "walk by the Spirit" and the Spirit of God will produce within us the fruit of the Spirit of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Many people think they have to have the patience to endure with others or work up love for those that are hard to love. NO! You do not. It is not us that produce the fruit of the Spirit, it is the Holy Spirit that produces that kind of fruit. So NTR members, walk by the Spirit and stop trying to produce the fruit of the Spirit in your own strength, because you cannot. Learn how to walk by the Spirit and He will produce the fruit of the Spirit. Then, as a chapter we can maintain that UNITY within the Body of Christ in LOVE.

HE WILL NEVER LEAVE US

by Pollyanna Young

He will never leave us nor forsake us (Deuteronomy 31:6; Hebrews 13:5).

I am grasping this concept more and more personally as time goes on. It is beginning to permeate me like never before. Jesus said He would never leave us nor forsake us. Proverbs 18:24 explains that He sticks closer than a brother. He said He would draw nigh unto me if I drew unto Him (James 4:8).

All these things, yet sometimes I have felt loneliness, I have felt abandoned and unloved. Stick closer than a brother? This can be a physical brother-sister or a spiritual one, regardless human relationships many times are ruled by emotions which can cloud judgements and actions. We sometimes draw away from one another in our quest for self-protection.

God-Jesus- the Holy Spirit doesn't do this. GOD's love always remains, as in the scripture: if you abide in Me and My Word abides in you, ask what you will, and it shall be given unto you (John 15:7). If we reach for Him, He is right there to help in any situation, unlike human relationships where there is a risk of being rejected.

Why do you think we feel better when we are in His Word, when we are communicating with Him? We can be going through absolute turmoil but feel peace because it comes from within. It is impossible to feel unloved, alone, or abandoned when we feel His presence.

The Lord once gave me a dream. I was standing before Him; no words were spoken; He was holding both of my forearms and looking at me. I perceived Him saying, I am and have taken care of everything. It was a sense that there was no longer anything of concern, and complete peace came over me. The dream was long ago, but I still remember the feeling of complete peace, which is one thing I hold tight to in troubled times.

Here is what we can draw from these scriptures, GOD desires to be in our life, the "raw" you or I, does not waiver HIS love for us. We are, however, in control of how well we please Him. Jesus will never turn His back on us, He is with us always even until the end; the Word says (Matthew 28:20).

We can walk away from Him, but that doesn't stop Him from continuing to try to get us to turn around. In the end, we will be the ones who left, not Him. Our destination of Heaven or hell is determined by our own choices and obedience or disobedience to His Word.

Our "Jesus relationship" is not temporal and will matter for all eternity. Let us not be distracted by who walks in and out of our lives yet let us focus on the One who stays. Focus on the One who will never leave us nor forsake us. The One who sticks closer than a brother, the One who draws close to us as we draw close to Him, and the One who desires to abide with us and in us. This eternal relationship with Jesus should inspire us and give us hope, knowing that we are never alone.

Questions to consider:

- Why is it important for us to abide in God's Word?
- In what ways do you find yourself feeling alone?
- What are things you can do to feel God's presence near?
